# Cub Scout Pack 548

## Parent Information Handbook

“Together we can do more.”

## INTRODUCTION TO CUB SCOUTING

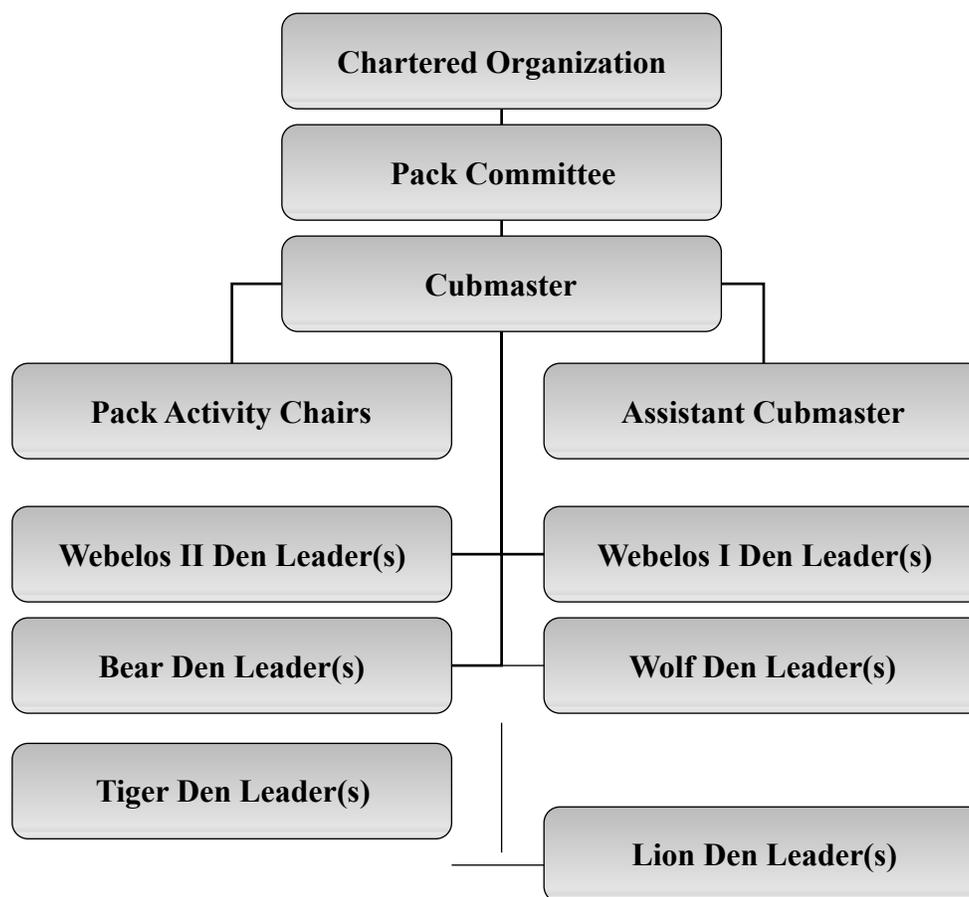

Cub Scouting is a year-round family-oriented program designed for scouts who are in kindergarten through fifth grade. Parents, leaders and organizations work together to achieve the ten purposes of Cub Scouting:

- Character Development
- Spiritual Growth
- Good Citizenship
- Sportsmanship and Fitness
- Family Understanding
- Respectful Relationships
- Personal Achievement
- Friendly Service
- Fun and Adventure
- Preparation for Boy Scouts

Cub Scouting uses **seven specific methods** to achieve these aims:

1. **Living the Ideals** – Cub Scouting’s values are embedded in the Scout Oath, the Scout Law, the Cub Scout motto, and the Cub Scout sign, handshake, and salute. These practices help establish and reinforce the program’s values in scouts and the leaders who guide them.
2. **Belonging to a Den**  
The den—a group of six to eight scouts who are about the same age—is the place where Cub Scouting starts. In the den, Cub Scouts develop new skills and interests, they practice sportsmanship and good citizenship, and they learn to do their best, not just for themselves but for the den as well.
3. **Using Advancement**  
Recognition is important to boys. The advancement plan provides fun for the scouts, gives them a sense of personal achievement as they earn badges, and strengthens family understanding as adult family members and their den leader work with scouts on advancement projects.
4. **Involving Family and Home**  
Whether a Cub Scout lives with two parents or one, a foster family, or other relatives, his family is an important part of Cub Scouting. Parents and adult family members provide leadership and support for Cub Scouting and help ensure that scouts have a good experience in the program.
5. **Participating in Activities**  
Cub Scouts participate in a huge array of activities, including games, projects, skits, stunts, songs, outdoor activities, trips and service projects. Besides being fun, these activities offer opportunities for growth, achievement, and family involvement.
6. **Serving Home and Neighborhood**  
Cub Scouting focuses on the home and neighborhood. It helps scouts strengthen connections to their local communities, which in turn support the scouts’ growth and development.
7. **Wearing the Uniform**  
Cub Scout uniforms serve a dual purpose, demonstrating membership in the group (everyone is dressed alike) and individual achievement (scouts wear the badges they’ve earned). Wearing the uniform to meetings and activities also encourages a neat appearance, a sense of belonging, and good behavior.

## PACK MEETINGS

One Monday night per month, all Cub Scouts and their families gather in the Kilpatrick Elementary School gym for a Pack Meeting that is organized and led by the Cubmasters and the Pack Committee. The meetings begin PROMPTLY at 6:30 p.m. and last approximately one hour and thirty minutes. Each Pack Meeting has a theme and each den is responsible for assisting with the organization of activities at one pack meeting. During the Pack Meeting, Cub Scouts sit with their dens and den leaders and parents may either sit at tables provided around the gym or may be asked to assist with specific tasks when needed. Pack Meetings are also opportunities Dens to share projects they have been working on during the past month and for scouts to receive recognition for their accomplishments. Scouts should attend all pack meetings and pack activities in full scout uniform (Class A).

## DEN MEETINGS

Your scout will be assigned to a Cub Scout den made up of scouts in his grade. Den Leaders (parent volunteers) lead the dens and meetings take place at alternating parent's homes, outdoor sites, or other locations as needed/available. The Cubmaster and Pack Committee **may** take action to lower the size of a den if the number of active scouts exceeds 10.

The number of meetings, meeting times and locations vary based on the schedules of each den members. The meeting days and times may be mutually agreed upon by the members of the den. The following are the minimum meeting requirements.

Lion Cubs (Kindergarten).....	1 Den Meeting per month
Tiger Cubs (1 <sup>st</sup> Grade).....	1 Den Meeting per month
Wolf Scouts (2 <sup>nd</sup> Grade) .....	1-2 Den Meetings per month
Bear Scouts (3 <sup>rd</sup> Grade).....	2 Den Meetings per month
Webelos I (4 <sup>th</sup> Grade).....	2-3 Den Meetings per month
Webelos II (5 <sup>th</sup> Grade).....	3 Den Meetings per month

During den meetings, scouts will participate in games, songs, ceremonies, crafts and other learning and recreational activities. Many of these activities are required in order for the scouts to earn their rank badge; however, some of the badge requirements must be completed at home with the help of parents.

**Each family will be required to prepare for and lead one den meeting during the fall and spring, with the help of the den leaders.**

## SCOUT RANK REQUIREMENTS

### **“Bobcat Trail” and Badge Requirements**

***Every new scout***, from Lion on up, must begin his scouting career by completing the “Bobcat Trail”. This introductory badge only need to be earned once in a Cub’s scouting career. The requirements are presented in the front of each rank’s Scout Book. While some of the material may be reviewed in the den meetings, ***it is primarily the parent’s responsibility to assist their son complete the requirements of the Bobcat Trail.***

## **Lion, Tiger, Wolf, Bear, Webelos I and Webelos II Badge Requirements**

The activities required to earn each rank (i.e.: Tiger Badge, Wolf Badge, etc.) vary and are clearly organized and described in your son's Scout Book. The Den Leaders will outline the schedule of which activities the scouts will accomplish with the den and which activities need to be completed at home in order for each scout to earn their rank badge by the end of March.

## **UNIFORM REQUIREMENTS**

### **Scouts**

Each scout is required to wear the appropriate elements of his rank's uniform (Class A uniform) at all pack meetings and pack activities. Class A uniforms can be purchased at a scout store or online. For first time scouts, going to the scout store in person can be very helpful as the scouts working there are very knowledgeable and can quickly assist you in finding and purchasing the correct items. At the back of this document you will find an example of Class A uniform costs for you reference (based on online pricing). The Class A uniform requirements for Pack 548 include the following:

- Cub Scout Short Sleeve Shirt
- Cub Scout Neckerchief
- Cub Scout Neckerchief Slide
- Cub Scout Belt
- Cub Scout Shorts (optional)
- Cub Scout Switchbacks (optional)
- Cub Scout Cap (optional)
- Rank Handbook
- Patches (All ranks): Council Shoulder Patch, and World Crest
- Patches (Webelos only): Patrol Emblem, Blue Shoulder Loop

*Note: Webelo Scouts have the option of wearing either the Cub Scout or the Boy Scout uniform. Each Webelo den decides if a den numeral or patrol emblem is worn.*

Scouts are required to wear their pack t-shirt (Class B uniform) to all den meetings. Attire for den outings will be determined by the den leader depending on the nature of the event. Pack T-shirts (Class B uniform) are \$10 each and can be purchased at any Pack Meeting.

### **Pack Chair/Cubmaster/Den Leaders**

Den Leaders are required to be in uniform at all scout functions.

## **FUNDRAISERS**

Every year, Pack 548 participates in one district-wide fundraising event - popcorn sales. This fundraiser takes place in the fall and all cub scouts are expected to participate. This fundraiser helps earn money for our pack, district, and council. This money helps pay for such items as camping trips, pack equipment, registration and chartering fees, as well as awards and prizes. This helps council pay for land purchases and construction for camps like Bovay, scholarships, insurance, buildings, salaries, etc. Scouting does not receive any federal funding. Donations and sales are the only income.

Fundraising also gives the boys the opportunity to work together toward a common goal, as well as setting and achieving individual goals. Learning salesmanship skills helps the scouts gain self-confidence and refine their oratory skills, while also promoting our pack in the community.

The fundraiser also provides scouts the opportunity to earn money for themselves. For each scout who sells over \$150 of popcorn, 15% of their personal sales above \$150 will be put in their individual "**Pack 548 Account**". This money can be spent on annual dues, pack activities, summer camp, overnight camps, etc. If you so choose, you can do a buy-out for \$45 that will go toward the pack to help cover the costs. We prefer that you and your scout enjoy the experience of selling popcorn with their friends.

## **PARENT VOLUNTEERING AND PARTICIPATION**

### **Pack and Den Meeting Attendance and Participation**

Lion and Tiger Cubs are required to have one parent attend every meeting with them (at both the Pack and Den level). Each family, along with their Lion and Tiger, is expected to organize and run at least one Lion or Tiger Cub den meeting or field trip during the year.

At the Wolf level and above, the den leaders (with the assistance of parents) will organize and run the den meetings and parents are expected to attend. Additional parental support in the den meetings may be requested for special projects or activities.

### **Volunteering**

Scouting is a family activity and a family commitment. Parental involvement is necessary for the program to function. It is required that each family sign-up for a volunteer position. There are many areas and events that volunteer help is needed for the pack as a whole. In addition, some badge requirements will need to be completed at home (e.g., including those covered at meetings the scout did not attend), and parents will need to help with a little memorization, overseeing badge work, and signing the scouts off after completion of the requirements in their Scout Book.

Parents not serving as Den Leaders or on the Pack Committee are required to sign up to help with one of the special events during the year.

### **Parent Training**

All parents are required to complete the on-line Youth Protection Training (YPT). This takes about 15 minutes to complete and ensures that parents are able to provide a secure environment for all out Cub Scouts. See the attached handout on YPT training procedures. Please visit <https://my.scouting.org/> to take this online training.

### **Adult Leader/Volunteer Training**

All parents who are in a leadership/volunteer role must make sure that they have the correct training needed (some positions will not require additional training while others might). The pack trainer will provide you with training requirements and where and when the training can be completed.

## **PACK RESOURCES**

### **Pack Website**

### **Pack Facebook Group**

Pack 548 has its own Facebook page – <https://www.facebook.com/groups/880407235401884/>. All pack events are posted here. This is also a place where dens can share their recent projects and activities with the pack, post pictures, and let others know about upcoming functions/activities.

### **Scoutbook**

**\*\*\*Important\*\*\* Pack emails.** Parents please check your email regularly and make certain that your server does not block email from Scoutbook. This website is owned by BSA. All parents are issued a username and password for Scoutbook. The Pack and Dens use it to send communications regarding important events, dates and deadlines, track achievements and advancements as well as a repository of information including the pack directory and pack leadership assignments. Parents are able to use this system to update their scout’s rank achievements and sport and academic badges.

**Communication is vital to ensure a quality scouting experience.** It is each parent’s responsibility to log into Scoutbook and enter, update and/or correct contact information as often as necessary. If you have any questions, please contact your Den Leader, Cub Master, or Committee Chair.

**It is also important to read the information sent home by the den leaders and communicate with them in return as your child completes badge requirements. We have to make our best effort to be at the monthly Pack Meetings, Den Meetings and special events to encourage our scout’s participation.**

### **Pack 548 Bylaws**

A copy of the Pack 548 Bylaws is posted at [www.pack548.org](http://www.pack548.org). Please contact any Pack 548 Committee member if you have any questions about the bylaws.
